

# **Baseball: Past, Present and Future**

## Day Trip

Arrive in historic Baltimore, where your day begins by learning about baseball's past. Begin with a tour of the museum that pays homage to the legendary Babe Ruth, the Babe Ruth Birthplace Museum.

Upon completion of your tour take a short walk down the street to baseball's present, Oriole Park at Camden Yards, home of the Baltimore Orioles. Here you'll be greeted by a guide and learn the rich history of baseball in Baltimore and the historic Camden Yards Warehouse. Enjoy free time on your own for lunch and explore the beautiful Inner Harbor.

Then it's time to board the bus for a trip to the future and your last stop through baseball's memory lane. Arrive in Aberdeen, home to Cal Ripken, Jr. and his Minor League Baseball team, the Aberdeen IronBirds. Take a guided tour of Ripken Stadium and the Ripken Complex. Complete your night by watching some of the future stars of baseball play in Ripken Stadium. Enjoy all the sights, sounds and entertainment that come with the minor league experience at this state-of-the-art venue. Where else can you feast on Maryland steamed crabs while enjoying America's favorite pastime? Add a behind the scenes tour and you have the ideal trip for any baseball fan!
