### **New Virtual Tour Puts the Best of Harford County At Your Fingertips**

There's an old adage about residents of New York who have never been to the Statue of Liberty. Thanks to the efforts of the Harford County Office of Economic Development's tourism staff, the same cannot be said for those who want to see all that Harford County has to offer.

The Harford County Tourism website, located online at [www.harfordmd.com](http://www.harfordmd.com), now boasts the addition of a new *Virtual Tour*; a fourteen minute video presentation that highlights many of Harford's finest attractions such as Ladew Topiary Gardens, the Concord Point Lighthouse and all sorts of parks, museums and other points of interest. The link for the tour can be found at the bottom of the website's homepage.

"The Virtual Tour was designed to accommodate visitors to Harford County who are looking for something exciting to do, as well as for our citizens who might find an attraction they had not discovered yet," said Wini Roche, Harford County's Tourism Manager. "Whether you are a first time visitor or a lifelong resident, our county truly has something to offer everyone."

In addition to being available around the clock online, the Virtual Tour will also be used to market Harford County at trade shows nationally, and to target group tours and meeting planners.

For further information about the Virtual Tour and other tourism opportunities in Harford County, contact Ms. Roche at 410-638-3327.
